

## **Certification of Compliance with Build America, Buy America Act (BABA)**

This letter serves as a certification of compliance on behalf of Hamilton Kent LLC., regarding our products for the following brand(s), which are manufactured in the United States and meet the requirements of the Buy American Act:

1. Tylox® SuperSeal™
2. Tylox® SOC-L
3. Kent Seal™
4. Tylox® MIB Boot Connectors

As a gasket and connector manufacturer for underground water conveyance, we understand that specific projects may receive Federal funding under the Infrastructure Investment and Jobs Act ("IIJA"), Pub. L. No. 117-58 includes the Build America, Buy America Act ("the Act"). Pub. L. No. 117-58, §§ 70901-52. According to the Act, suppliers are required to provide a signed certification confirming compliance.

If you require any further assistance on this matter or a specific project declaration, please feel free to contact us.
